

# Kamara Reynolds

10870 NW 4<sup>th</sup> Drive  
Coral Springs, FL, 33071  
(516)-668-2866  
[reynoldskamara@soulsitescoding.com](mailto:reynoldskamara@soulsitescoding.com)

## Career Target Goal

---

To apply my complex problem-solving skills to the field of software engineering. This includes software development, web development, cloud servicing and database servicing.

## Skills and Qualifications

---

### Information Technology:

- JavaScript
- React
- HTML
- Java
- Python
- Node.js
- MUI
- CSS
- Jakarta EE
- AWS Lambda
- Next.js
- SQL
- Bootstrap
- Spring MVC
- Amazon Connect

### Personal:

- Strong problem-solving skills
- Effective Communicator
- Learns new skills quickly

## Experience

---

### Freelance Development

Web Developer

- Design website layouts from scratch
- Use React, MUI, and Next.js to make UI interactive
- Use Node.js and SQL for backend functionality
- Recent projects at [soulsitescoding.com](https://soulsitescoding.com)

**Coral Springs, FL**

1/22 – Current

### uBreakiFix

Electronics Technician

- Troubleshoot and repair phones, tablets and laptops
- Work with customers to insure quality service

**Coral Springs, FL**

12/22 – Current

### Chauvet Lighting

Electronic Technician

- Troubleshoot and repair entertainment lighting
- Test equipment using automation software
